PROFESSIONAL SUMMARY

Graduating Finance senior with internship experience in corporate financial analysis and risk assessment. Proven ability to build complex Excel financial models, analyze market datasets, and deliver executive-level presentations. Seeking an Analyst position in Corporate Finance or Investment Banking.

PROFESSIONAL EXPERIENCE

Financial Analyst Intern — Apex Capital Partners, NY

Jun 2025 – Aug 2025

- Constructed Discounted Cash Flow (DCF) models for 5 prospective M&A targets valued between \$10M–\$50M.
- Analyzed quarterly budget variances across 12 portfolio companies, identifying \$140K in annual cost savings.
- Prepared weekly market commentary briefs distributed to executive leadership and senior partners.

Operations & Data Intern — Metro Logistics Corp, NY

Jun 2024 – Aug 2024

- Automated weekly KPI reporting dashboards using Excel VBA and SQL, saving the team 6 hours per week.

EDUCATION

New York University (Stern School of Business)

Expected Graduation: May 2026

B.S. in Finance and Data Science | Magna Cum Laude Candidate (GPA: 3.84/4.00)

SKILLS & CERTIFICATIONS

Financial Modeling: DCF Valuation, LBO, Budget Forecasting, Variance Analysis

Technical Tools: Excel (Advanced VBA/Macros), SQL, Tableau, Bloomberg Terminal

Certifications: CFA Investment Foundations, Wall Street Prep Financial Modeling

Resume Strategy Tip:

As a graduating senior with internship history, place Professional Experience above Education. Emphasize business value using tangible metrics (\$ saved, hours automated, project values).
